In the early 70's, she co-owned "Love Is" a Card and Gift Shop which was a subsidiary of Hallmark. She was the founder of African Solar Solutions Inc. and Intercept Technology. She always encouraged us to DREAM BIG as she did and was considered to be a woman ahead of her time. We are grateful. She loved God and North Meridian Methodist Church where is a current member.

She was preceded in death by her brothers, James and Nathaniel Graves and sister, JoElla Graves.

She leaves to cherish her memory, two sisters, Barbara Coleman (William) and Sharon Wright (Daniel) of California; a host of nieces, great nieces, nephews and great nephews; goddaughter, Phyllis Bonds and a host of friends.
