Lula attended Riverside Park United Methodist Church, where she actively served in the United Methodist Women ministry and sang in the Chancel Choir. As the result of the shift of the United Methodist Church, Lula's membership became active at Barnes United Methodist Church.

Lula was a wife, mother and homemaker until she became employed by Indiana University Medical Center as a Dietary Supervisor in 1960. She worked for 25 years, retiring in 1985. After retiring, she enjoyed collecting "what-nots," cooking, baking, gardening and spreading the love of God. She loved her fish aquarium, sports, babysitting for her grandchildren and hosting family gatherings all year round.

Lula was the disciplinarian, very opinionated, outspoken, and would always let you know what was on her mind. She loved opening her home to others, whether family or not, she just loved all people!
